9/22/2026

10/22/2026

Pipeline Signal

- Filtered — Intentional validation
- Missing unit — needs review
- Outlier — Strong anomaly

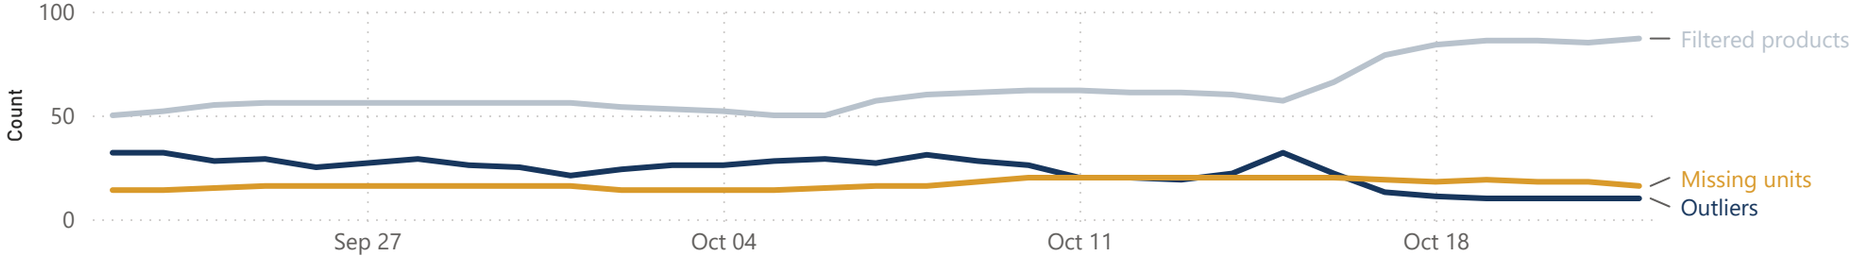

Silent loss

0.0
0.0% of received

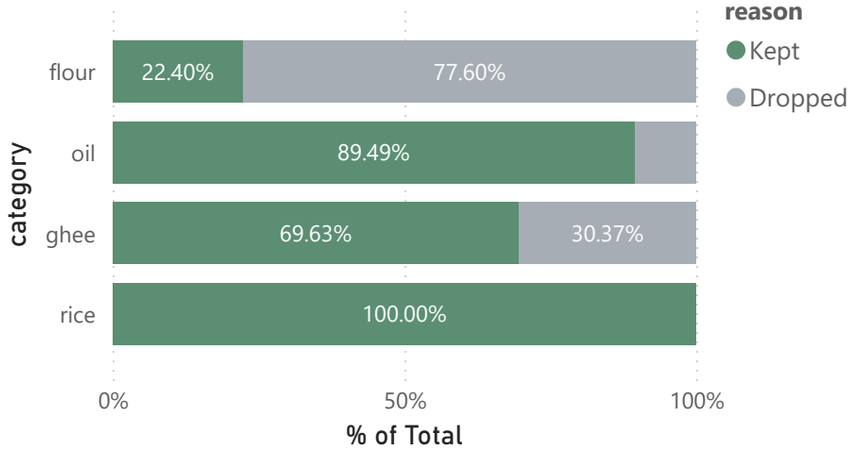

Received	Kept	Rejected	Outlier
9.7K	7.1K	2.6K	718.0
Total scraped	72.8% of received	27.2% of received	7.4% of received

Validation Rejections Over Time

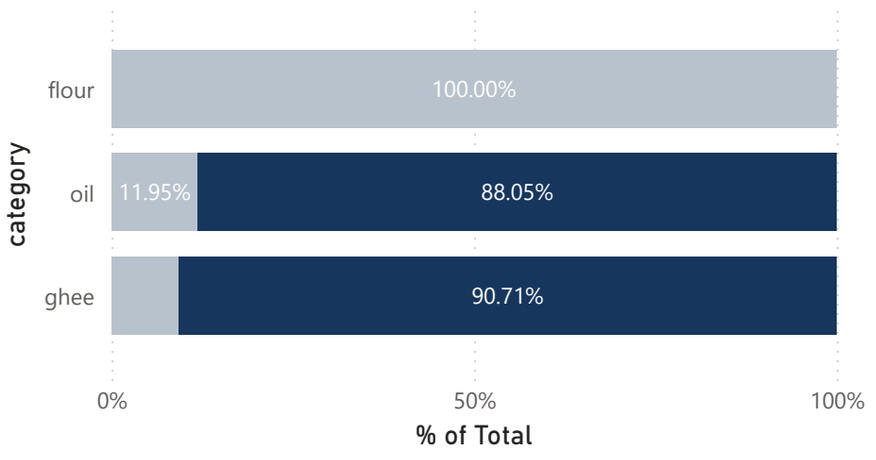

Filtered products are intentional; missing units indicate incomplete data; outliers are the strongest anomaly signal.

Kept vs. Dropped Products by Category

Validation Failure Breakdown

Market Overview

Pakistan Market Price Tracker · Daraz & Naheed

Filters

Scraper: naheed

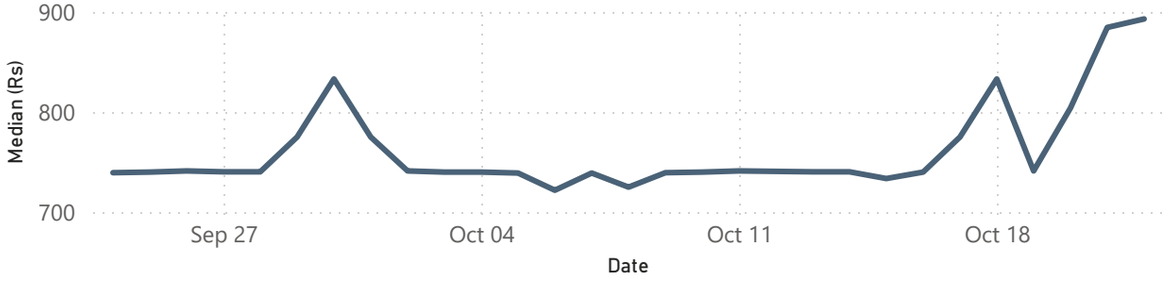

Category: oil

Date: Last 30 Days

Latest Median Price	Median Daily IQR	Price Change %	Min Daily Observations

pulses	38.38	43.83	49.31	47.64
rice	48.80	50.71	60.96	56.96
sugar	53.99	56.62	61.07	54.81
tea	49.21	49.80	58.07	53.45

Daily observations chart

- "Median and spread are computed per day, per category, per source."
- "Categories with few daily listings (e.g. flour, oil, sugar, dairy on Daraz) fluctuate more. Check the observation count."
- "Discount data: Daraz only. Shows % of listings with an active discount"
- "Only prices from pipeline 2.0.0 are included."
